

OSHA 510 Basic Course for Construction Industry

MID-ATLANTIC OSHA TRAINING INSTITUTE EDUCATION CENTER

Class Time: 8:00am to 4:00pm

Upcoming Dates & Locations

- **May 2-5, 2016** *Independent Electrical Contractors - 8751 Freestate Drive Suite 250, Laurel, MD 20723*

This course covers OSHA Standards, policies, and procedures in the construction industry. Topics include scope and application of the OSHA Construction Standards, construction safety and health principles, and special emphasis on those areas in construction which are most hazardous. Upon course completion students will have the ability to define construction terms found in the OSHA Construction Standards, identify hazards which occur in the construction industry, locate and determine appropriate OSHA Construction Standards, policies, and procedures, and describe the use of the OSHA Construction Standards and regulations to supplement an ongoing safety and health program.
